ChicagolandChurches.com is pleased to submit a proposal for the development of your church webpage or website.

The terms of this proposal are valid until December 31st, 2010.

PURPOSE OF WEBPAGE/WEBSITE

The purpose of the church webpage/website is to inform members and site visitors of your services, upcoming and current events, and other important information that can be viewed anytime by new or current church members.

SERVICES

ChicagolandChurches.com will provide the following services during the development of your church webpage/website:

1. Develop a website or page layout with the professional look and feel to be used throughout the site utilizing a standard webpage or website template.
2. Register a domain name for your church! At your requested, we will domain names and help you to choose just the right one for your church. My thoughts are that you use the church name or initial to be included in the domain name with possibly a word at either the start or the end to let viewers can easily associate the church name with the domain name.
3. The information will be displayed according to your instructions.
4. We will design a layout of content and photos that will display all contents and images.
5. The churches will also be listed inside of ChicagolandChurches.com directory at no additional cost.

We are listed #1 in Yahoo.com search engine.

6. Provide technical support 1-month after the website is online.

**My 100% Satisfaction Guaranteed, Money Back Guarantee
